TESSA - Teacher Resources
Version 13 ✔ On your device SELECT

The Teacher Education in Sub-Saharan Africa (TESSA) library is a collection of text-based guides, lesson plans, videos, and audio recordings for teacher professional development, classroom management, and pedagogy. The audio recordings and videos can also be used for activities with students of all ages.

Touchable Earth (en)
Version 7 SELECT

Where kids teach kids about the world. Taught entirely by school age children in short videos, Touchable Earth promotes tolerance for gender, culture, and identity.

Multaqaddarain K-12 (العربية)
